What do I do when my sister is crying?  
What do I do? I don't know what to say  
You take your sister in your arms  
And you hug her  
You take your sister in your arms  
And you love her

What do I do when my brother is crying?  
What do I do? I don't know what to say  
You take your brother in your arms  
And you hug him  
You take your brother in your arms  
And you love him

What do I do when my friend is crying?  
What do I do? I don't know what to say  
You take your friend into your arms  
And you hug her  
You take your friend into your arms  
And you love him

What do I do when I am crying?  
What do I do? I don't know what to say  
You go deep into your heart  
Love will find you  
You go deep into your heart  
Love will find you

What do I do when the whole world is crying?  
What do I do? I don't know what to say  
You take the world into your heart  
And you love us  
You take the world into your heart  
And you love us

What do I do when I am crying?  
What do I do? I don't know what to say  
Well, you can climb into my arms  
And I'll hug you  
Yes, you can climb into my arms  
And I'll hold you  
Yes, you can climb into my arms  
Because I love you
