The Song Of The Month

"You Can!"

words by Ruth Pelham

Sing this song to the tune of
"She'll Be Coming 'Round The Mountain."

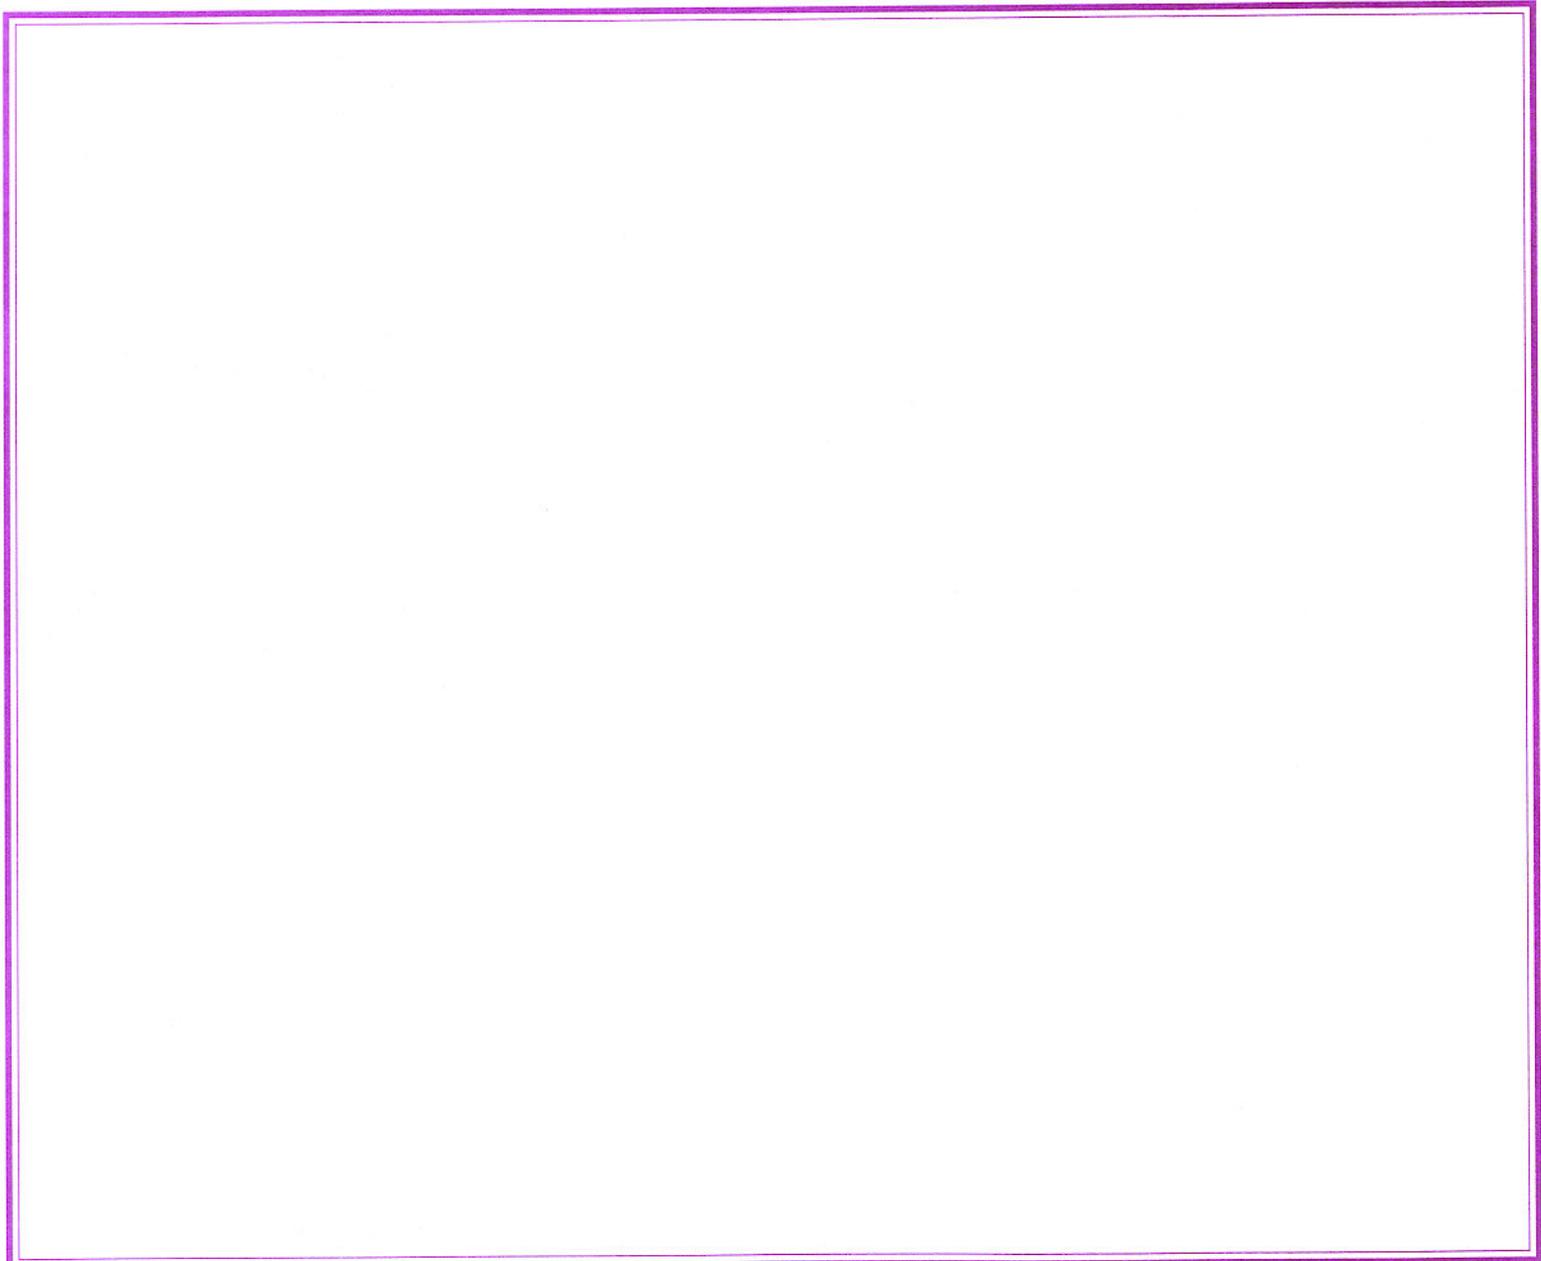

If you want to be a leader then you can
If you want to be a leader then you can
You can help and be of service
Though you might feel shy or nervous
If you want to be a leader then you can

If you want to make a difference then you can
If you want to make a difference then you can
Get your friends and get your neighbors
Do some friendly, caring favors
If you want to make a difference then you can

If you want to help somebody then you can
If you want to help somebody then you can
Your best self you will discover
You'll feel great when you help others
If you want to help somebody then you can

A Sing And Do Activity

Try doing some motions as you sing this song! For the words, "if you want," point to a real or pretend person. For the words, "then you can," smile enthusiastically as you quickly lift your arm way up in the air. For lines 3 and 4 of each verse, act out the emotion or activity with your face and body. You can also write your own verses to this song!

Draw a picture of a time when you spoke up about something that you thought was not fair.
