Dear Ruth,

Meg Montelone, Louise Lamby and the 1100 children whose lives you touched during your residency with us, thank you! We thoroughly enjoyed working with you and the children refer to your residency daily. You left a legacy of wonderful music and happy memories. Thank you!

We want to take this opportunity to tell you how impressed we were with your approach to your residency. From our initial inquiries through the planning process, you were professional and committed to designing a program which would be beneficial to all of the children in both buildings. Your enthusiasm and excellence were inspiring!

Your week with us was filled with music, laughter and moments we'll never forget. Thank you for sharing yourself and your talent with us. Special thanks for leaving a bit of yourself with us. We are grateful.

Best wishes,

Meg Montelone
